1. The Senate Committee on Expenditures in the Executive Departments is presently considering legislation to repeal the President's Executive Order on the handling of security materials. In this connection, they have requested WLP to furnish them with a copy of the Yale Study on Classified Information Available Through Overt Sources. WLP informed them that this study is not available for release.

2. WLP discussed with the Director certain material on an "Eyes Only" basis which was made available to him by Sen. McMahon in connection with a proposed survey of the scientific intelligence facilities of the Government.
